**Re: Audit of the Placement Report of the Master in Business Administration program 2014-16**

Dear Sir,

We have audited the Placement Report prepared by Symbiosis Institute of Operations Management (SIOM), Nashik for the final placements of students in the MBA batch of 2014-16. The Placement Report is the responsibility of SIOM. CRISIL's responsibility is to validate the information provided in the report with the relevant documentation, and comment on the Placement Report's conformance with the Indian Placement Reporting Standards (IPRS) version 2.1.

In this context, CRISIL confirms the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary. In our opinion, the Placement Report complies with the Indian Placement Reporting Standards version 2.1.
2. The validation of information presented in the report is based on communication received by SIOM from the recruiting companies. CRISIL has not independently sourced any information or documentation.
3. We have verified the information with respect to remuneration, job function and location presented in the report with communication received from recruiters. Information regarding compensation received from individual students has not been used.
  - a. Where offer letters or other recruiter communication was not available, the report considers the record as "Data not available". Data was not available for 2 students out of 102 students who sought placements through the institute. We have not been able to verify the status of such students since there is no record.
  - b. The information has been categorized as best as possible under different salary heads according to the IPRS version 2.1; where a break-up was not available, the salary has been considered only as 'Maximum earning potential'.
4. Proof of acceptance of the offers is indicated by student signing the offer letter. Such proof was not available for 60 students.
5. The number of students opting out of the placement process has been established through written communication from the students.

Thank you,

Best regards,
